Collection and Services Information

Children's Services

The Library has an active children's program. Every Wednesday during the school year, we offer 2 story times. The morning story time is at 11:15 am and is for toddlers and young children. The afternoon story time is at 3:30 pm and is for school-aged children.

Other special story times are offered throughout the year.

During the summer, we offer the summer reading program. The children sign up, read on their own (or with a parent) and then tell a staff member about the books to get credit. There is an awards ceremony and party at the end of the summer to reward all the readers for their hard work!
